

COMPANY'S OPINION: HIRING INTERNS

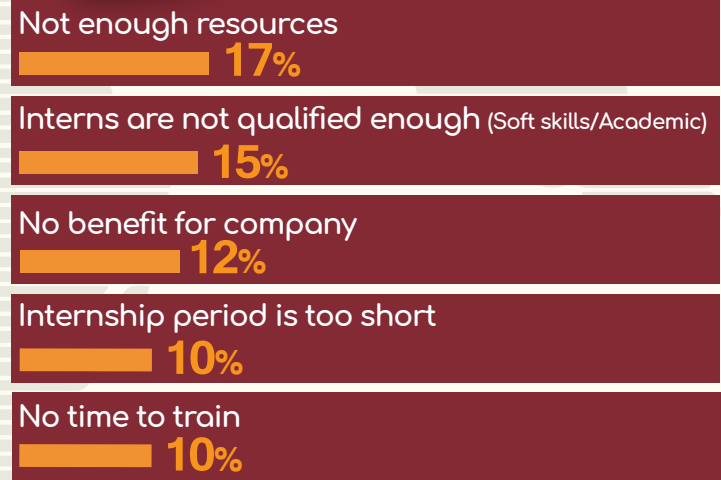

# DOES COMPANY PLAN TO HIRE INTERNS?

## WHY YES?

## WHY NO?

### FINDINGS & ANALYSIS:

Our findings show that Brunei companies are seeing the benefits of internship programs. Almost 8 in every 10 local companies are planning to hire more interns. Why? As the Top 3 reasons suggests, 55% of the employers surveyed says they will hire interns 'To find future employees'. This shows that they find internships being a great way in finding new talents that will potentially be converted to a full time hire. 42% look forward to hire interns as students can prove to be of extra help in accomplishing specific short term projects and objectives. 38% believe that students can help increase efficiency of work done and so on. Hence, Brunei students should be encouraged to apply for internships locally to tap on working opportunities and to gain relevant skills within their field of study.
